English and Math Prep Expressway

CPCC's EdReady system is designed to strengthen your foundational skills in English and mathematics. Let us help prepare you for a successful start towards achieving your career and college goals!

GET STARTED

Why is CPCC asking you to use EdReady?

Congratulations on your choice to utilize Central Piedmont’s English and Math Prep Expressway! We welcome you to CPCC and intend for your EdReady experience to:

- Prepare you for a more successful attempt on the mathematics and English portions of the CPCC placement test (as well as the math portions of the TEAS, ACT and the SAT tests)
- Provide support for high school students who are enrolled in approved Career and College Ready Graduates (CCRG) courses
- Provide you with a rich learning experience that is based on independent engagement of English and mathematics topics
- Assist you with gaining a realistic understanding of the amount of study time that you will need to regularly commit to spending outside of the classroom
Edit your Homepage:

1. Log into EdReady and click the Edit EdReady Version button
2. Click on Settings tab
3. Click on the Edit Homepage tab, then the Edit Homepage button
4. Click the Edit button to update a section
Student Registration & Login
Student Sign-Up Options

Can add custom fields to collect student information during registration

Edit/ Enable Custom Fields:
1. Log into EdReady and click the Edit EdReady Version button
2. Click on Settings tab
3. Click the Activate dialog to add custom sign-up fields checkbox (Click I Understand in pop-up window)
4. Can Add/Edit Custom Fields
5. Be sure to Save Changes!
STUDENTS: SINGLE SIGN-ON INTEGRATION

Submit a support request for SSO assistance:
Welcome to EdReady Montana!

To Log into EdReady Montana click this link.

EdReady Montana is a program for all students in Montana from grade four through college who want to
- Brush up on their general math skills
- Become better prepared for college math
- Or practice math skills needed for their desired career path

Through the EdReady Montana Project, funded by a generous gift from the Dennis and Phyllis Washington Foundation, Montana Digital Academy (MTDA)
1. Log into EdReady and click the **Edit EdReady Version** button
2. Click on **Settings** tab

**Ensure are enabled if needed**

**Best Practice: leave disabled whenever possible**
Scopes
Scopes: Best Practices

- **Naming**: identify the purpose & concepts included
  - Make as generic as possible
  - Leave off timing/ location details so it can be used in multiple goals
- **Share** scopes when possible for roll-up reporting
Scopes: Best Practices

- **Naming**: identify the purpose & concepts included
  - Make as generic as possible
  - Leave off timing/ location details so it can be used in multiple goals
- **Share** scopes when possible for roll-up reporting
Scopes: Best Practices

- **Scope of Expectations**: Include (& exclude!) the right material
  - Take advantage of Pre-Loaded Scopes *(concepts included)*
  - When defining your own, start by cloning “College Math Readiness” or “College English Readiness”
- **Consider split scopes**
Scopes: Best Practices

- **Resources**: include all (Learn items)
- **Questions**: include all collections
Goals
Goals: Best Practices

- **New Goals for each group of students**
  - Goals used to separate students from different semesters/school years, instructors, class sections
  - If you have more ‘general’ goals, consider a new goal for each school year or semester

- **Most goals should be Private**

- **Descriptive Naming:** Easily identify the users in reports & administrative pages
  - Example: Math 232 – Fall 19 – Jones

- **Goal Keys:** easy to type & communicate
  - Help reduce student error: use all capital or lowercase letters
Goals: Best Practices

- Add **Goal Image**
  - Take advantage of the [goal image library](#)!
Instructors:

• Be sure to communicate the Goal Key(s) their students will need to get started
• Share the following helpful resources:
  o Can use our Draft email text for introducing EdReady
  o We recommend that instructors review the student resources at the NROC Network

Students:

• Ensure they know the correct URL
  • Look for your logo in the header!
• Provide guidance regarding which Goal(s) to work in (and Goal Keys, if needed)
• Our Marketing Toolkit (nroc.org/media) has resources to help you spread the word, including fliers, posters, and web banners
• Ensure your instructors know who to reach out to with questions
• For Technical Support, take advantage of the Help button
  • Available to both students & instructors!
• Instructors can join us for daily office hours
Monitor Student Progress
Monitor Student Behavior: Cohort

Review cohort progress on the Student Data Summary report.

Focus attention on:
- Time Using EdReady vs Time Spent Studying
- Last Test Taken
- Score Gain
- Last Login/ Number of Logins

Accessing this report:
1. Start on Reports Dashboard
2. Click on Reports link for the Study Path of interest
3. Click on Student Data tab → Summary report will open by default
Monitor Student Behavior: Individual

The main ways to look at student activities:

- **Individual Student Details**: activities/ progress in a single study path

- **Student Session reporting**: details about what happens in a single visit to EdReady
Monitor Student Behavior: Individual

Review an individual’s progress **in a single study path** in the Student-Specific reports

Focus Attention on:
- Number of tests taken (Times Taken)

Accessing this report:
1. Start on Reports Dashboard
2. Click on **Reports** link for the Study Path of interest
3. Click on **Student Data** tab ➔ Summary report will open by default
4. Click the **Details** link for the student
Monitor Student Behavior: Individual

Review an individual’s progress **in a single study path** in the Student-Specific reports

Focus Attention on:

- Number of tests taken (Times Taken)
- Side-by-side comparison of Test vs Learn activities by topic

Accessing this report:

1. Start on Reports Dashboard
2. Click on **Reports** link for the Study Path of interest
3. Click on **Student Data** tab → Summary report will open by default
4. Click the **Details** link for the student
Monitor Student Behavior: Individual

Review student activities in EdReady in **Session** reporting

A “session” in EdReady is a visit, from login to logout

You can see

- Session Summary (time/ dates)
- Activity Details during any single Session

Accessing this report:
1. Start on Reports Dashboard
2. Click on **Student Data** tab
3. Click on the **Activity Report** link for the student → the Sessions tab will open by default
   - Click the **Details** link to see activities during that session
Determine Knowledge Gaps: Cohort

Review cohort progress on the **Unit Detail** and **Topic Detail** reports.

Here you can see:

- Units / Topics listed as columns
- Individual students listed in rows
- **Status** details in the intersection

... which allows you to see areas where the cohort is excelling or struggling

Accessing this report:

1. Start on Reports Dashboard
2. Click on **Reports** link for the Study Path of interest
3. Click on **Student Data** tab
4. Click on **Unit Detail** or **Topic Detail** tabs
Determine Knowledge Gaps: Cohort

See learning objective scores in the Learning Objective Scores downloadable report.

Accessing this report:
1. Start on Reports Dashboard
2. Click on Reports link for the Study Path of interest → the Overview report will open by default
3. Click on Advanced and Custom Reports link (under Summary header)
4. In the pop-up window, select Student data: learning objective scores in the dropdown menu
5. Click Download Report button
Determine Knowledge Gaps: Cohort

See learning objective scores in the Learning Objective Scores downloadable report.

This report has a lot of data: it includes a row for every learning objective for every student.

This is the only report that shows student status at the Learning Objective-level, both on the initial diagnostic and where they stand currently

- 0 = student was tested on this objective and did not show mastery
- 1 = student was tested on the objective, and did show mastery
- 0.5 = the student has not yet been tested on this objective

Note: this report includes all students in your cohort, but is typically most useful when you focus in on an individual student or concept
Determine Knowledge Gaps: Individual

See a student’s status history for all units & topics in a study path in a downloadable report

Accessing this report:
1. Start on Reports Dashboard
2. Click on Reports link for the Study Path of interest
3. Click on Student Data tab → Summary report will open by default
4. Click the Details link for the student
5. Click on the Tests Taken tab
6. Use the Email Table Data button ( ) to have the report sent to you
**Test History: Individual**

See a student testing history (and individual questions!) for a study path on the **Tests Taken** tab.

### Questions

This table shows each question administered to this student for the test chosen from the table above. Click "Show" in the Actions column to launch the question viewer, which will give you the student answer as well as the correct answer in each case. If you filter or sort this table, the question viewer will only show the questions listed in the table.
