Introduction to EdReady Reports
Accessing EdReady Reports

An EdReady Admin will need to create your account: you cannot self-register as a teacher/reporting user.

You will use the same URL as your students:

https://sitename.edready.org

An email address can only be associated with one user type: Student or Admin User

- Contact NROC Support if you need a student account deleted:

  http://nrocnetwork.org/ticket

Other Considerations for Success with EdReady
Best Practices for Success

Will EdReady reports be a part of your normal classroom routine?
- Students don’t do optional

Will EdReady be incorporated into your class grades?
- Tell students which metrics you’re looking at
- Data allows for a more student focused classroom
  - Consider data available in reports (time studying, score improvement) and when you’ll need to check/export reports
Best Practices for Success

Help Students set goals/ study plans
Give them guidance for what they should be working on

Have students show their work
